5.0 SUPERINTENDENT'S REPORT/DISCUSSION

5.1 Report & Discussion of District Activities

Dr. Mizell provided a typed report to Board Members during the work session detailing updates for the Maintenance Department, Athletic Events, and Personnel News. The staff has been actively recruiting and want to commend the principals on hiring early. Would like to acknowledge athletics as 23 students qualified for State in Track. The junior track team is doing very well. And congratulations to those students who have signed to play for colleges/universities. She also reported out that she was chosen to represent the county on the NMAA Board.

6.0 PRESENTATIONS

6.1 Charlie Y. Brown High School - Mr. Benavidez

Mr. Benavidez greeted the Board and presented a PowerPoint presentation. The graduation rate for CYB was 44.4%, the graduation goal for 2021 was 50%. CYB had 71.26% graduation rate for 2021! A benchmark goal was to have 31 students in cohort 2022 to have 22 credits, and the goal was met with 31 students having 22 credits as of March. Additionally, the goal was to have an increase of 6 students, to have a minimum of 36, to graduate on time with the 2022 cohort. The goal was exceeded with 40 students from the 2022 cohort graduation early or on time!

CYB will have 47 graduates; 12 students returning to BHS to graduate and 35 students graduating directly from CYB. Of the 35, there are 4 students from cohort 2021, 26 students from cohort 2022 and 5 students from cohort 2023. The PBIS rewards program is having a positive impact, which consists of root beer floats, picnic in the park, board games, and an end of year field trip. Very proud of Jaiden Williams who signed with

Bacone College for soccer, she is a senior at CYB. There were supposed to be 4 student guest speakers, however they did not attend.

There were 2 students with less than 10 credits when they began at CYB and students are expected to earn 10 credits a year, and even more to graduate. These 2 students did the additional work. CYB has the advantage of smaller classes so students get more one-on-one assistance. The teaching staff get to know the students, their families, what is going on in their lives. It creates a positive culture. They are greeted individually every morning and at the end of the day they are told good bye. We learn their likes and dislikes to create a strong culture and the students feels safe and cared about.

Dr. Mizell thanked Mr. Benavides for everything that he does, he is the heart of the school. Mr. Benavidez stated that he doesn't look at it as saving their education, but in most cases it's saving their lives. Mr. Maes noted that 4 other high schools have come to visit CYB, to see what is working so well. The graduation rates are great!

6.2 NMSBA Excellence in Student Achievement Award - Mr. Maes

This award, sponsored by the New Mexico School Board Association (NMSBA), is presented to individuals selected by the local board of education who have played an important role in improving student achievement in their local school district.

Mr. Maes spoke to the audience and commended the transportation department on their hard work and dedication to the students and the district. They work year round, delivered meals during the pandemic closures, and their routes are vast. In December the Transportation Director passed suddenly leaving grief and uncertainty in the department, yet the staff were able to continue and grow. He also noted that he had an opportunity to ride with them, it was a great experience. Mr. Maes reported that he had just recently discovered that there is a transportation employee who is retiring this year after 43 years with the district, and another with 48 years who is not retiring. Mr. Olivas will receive the award on behalf of the Transportation Department, as no one could be in attendance.

Dr. Mizell recalled going on a ride along during a food delivery run during the winter. The drivers were fierce and braved the roads to deliver meals with a smile on their faces. It was a difficult but incredible journey. There was a teenage girl who walked over a mile in the weather to get meals for several families on the rural route. The district is having a difficult time finding bus drivers

6.3 Sally Martinez Memorial Scholarships - Mrs. Spencer

The scholarships will be a one-time award. Recipients must graduate in good standing from BHS or CYB and have attended at least one year at Blanco Elementary. This scholarship is in honor of Mrs. Sally Martinez who had a love for teaching and was known for her kind heartedness.

Mrs. Spencer greeted the board and audience. She noted that Mrs. Sally Martinez was a beloved teacher at Blanco Elementary. She then introduced Mr. Martinez to speak. He went on to say that he is doing better this year than he was last year at this time, and he contributes that to the district. This is a beautiful way to honor his late wife and her joy of teaching.

Mrs. Spencer reported that there is enough in the memorial scholarship fund to award 2 seniors a year for the next 12 years. The fundraisers have been beneficial and the family has donated a lot. Any senior can apply; however, if a student attended Blanco Elementary for at least one year received additional points from the committee, comprised of one teacher, Mr. Martinez, and members of the Martinez family. The award is presented as \$1,000 checks given to 2 chosen seniors. This year the committee selected Roxy Brown and Samantha Overson. Both were in attendance to receive the awards. Congratulations to both.

6.4 IEC / JOM Member Award Presentation - Ms. Marquez

Mrs. Marquez announced that the awards being presented reflect the support given for their culturally responsive roles in the District. With the support of the Indian Education Committee (IEC) Members and Beverley Tsosie, funding received has doubled in the last 6 years. The district currently has 42% native students. She also noted that Mr. Benavidez has been an advocate for all students.

The following awards are for going above and beyond for students:

- Charlene Waddoups, IEC Vice President
- Verlynne Platero, IEC Secretary
- Beverly Tsosie, Federal Programs Office Manager
- Mary Lee Toledo, IEC President
- Alexandra Jones, New IEC Member (not present)

7.0 INFORMATION FOR THE BOARD
