Answer the following:

Request: Approval of Additional Gifted Teacher

Gifted numbers increased by 22 students this school year. In 2023/2024 there will be 68 identified gifted students in our district. Currently we have one gifted teacher that case manages 4 schools. She also writes the IEPs and evaluates students who passed the sweep screening. She does have 2 EA's who provide service for the gifted students. One EA is house at Naaba Ani and the other one is at MAJH. We also have a part-time gifted teacher at the high school who supports all of the gifted students at BHS. We need anohter gifted teacher to help case manage MAJH. This will allow Beth to provide services at Central and in Blanco. She will also be the case manager for Central, Naaba Ani, and Blanco. This extra person will

Benefit or Impact to the District: ensure that students services are being met.
