Dear Mrs. Summers,

The scholarship "Fund Raiser for Business" will be set up through a social media sales and donation. I have spoken with the classes and they voted that whomever is the top seller for the year will be the beneficiary of the scholarship.

The event will last for a total of 8 days. When the fundraiser is complete, a check will be written to Bloomfield High School. It will be mailed or direct deposited into the Bloomfield High School account. I would need the account number and routing number for the direct deposit, or the address to be used for a mailed check.

The recipient of the funds will receive a check upon graduation from Bloomfield High School, with the stipulation that they have committed to furthering their education at the collegiate level. If that student does not go to college, then the runner-up will receive the check. If neither of these students go to college, the monies raised will roll over to the next year. If there is a tie between students for the amounts raised, then the monies raised will be divided equally between the winners.

Please feel free to reach out to me with any questions or concerns.

Thank you for your consideration and time for this event.

Rick Mapes
