

DISPOSITION OF PUBLIC SCHOOL FACILITIES TO CHARTER SCHOOLS

By May 1st of each year, the School District shall provide written notice to each charter school located within the School District that the District has land or facilities available which are not currently used for educational purposes, and may make such land and facilities available for lease, lease-purchase or purchase by the charter schools. District-owned land shall not be considered available to a charter school, if the District has justified its future use by the School District, in its five-year facilities master plan.

The School District shall develop a facility prioritization plan that identifies which charter schools may lease, lease-purchase or purchase available school district facilities.
